When I See Someone I Like

I May Feel Shy

When I am in the hall or other part of the school, I may run into someone I like.

I can look at the person and say hello.

There are a lot of people at my school.

13 page story

This may make me feel shy.

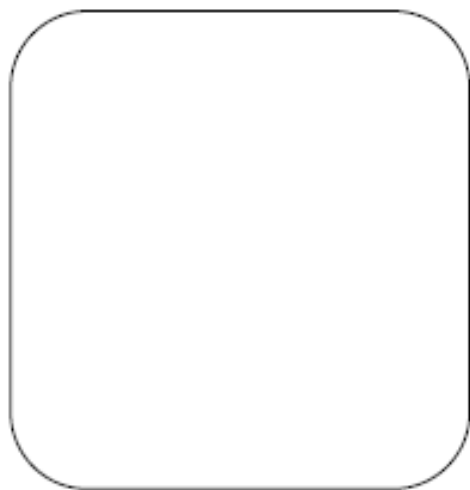

Or, I can smile and just keep walking.

Name: _____

Choose a picture from the page above, cut out and glue in box. Answer the following questions about the picture.

1. How is this person/animal feeling?

2. What do you think has happened to make this person/animal feel this way?

3. What could you do to make the person/animal feel better?

4. Describe a time you felt shy.
