I have a great teacher.

On those days I will have a substitute teacher.

I will try to treat my substitute teacher the same way I treat my regular teacher.

But, sometimes my regular teacher is not at school.

A substitute teacher will help me learn new things that day.

I will do my best to follow all the rules.

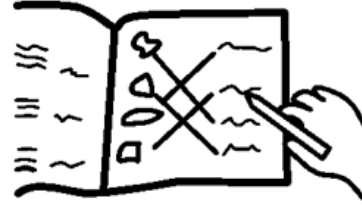

On most school days, my teacher will be there.

But somedays, she may be absent.

A substitute teacher is still a teacher and will help me learn and keep me safe.

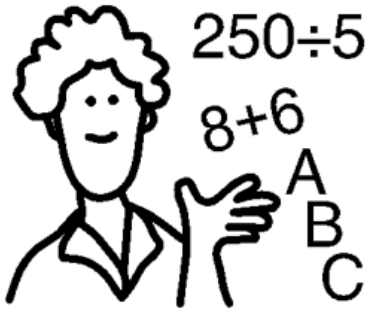

My regular teacher will leave lots of good information for the substitute.
