Llamas

By

Christa Joy

Special Needs for Special Kids

Llamas come from the Andes mountains in South America.

Llamas are very social animals.

Llamas are pretty cool animals.

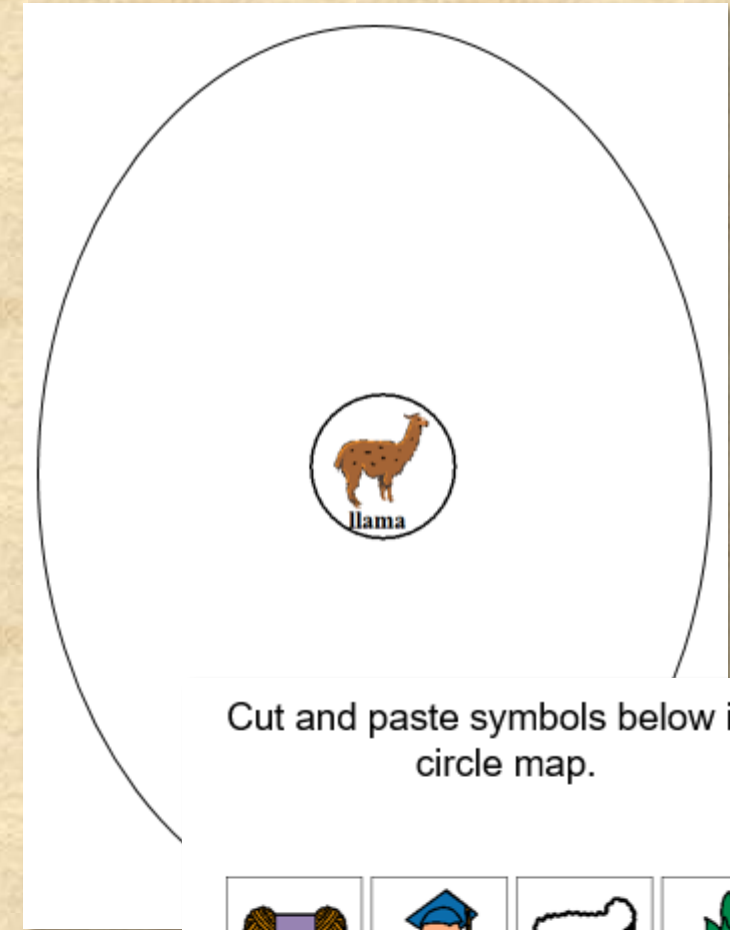

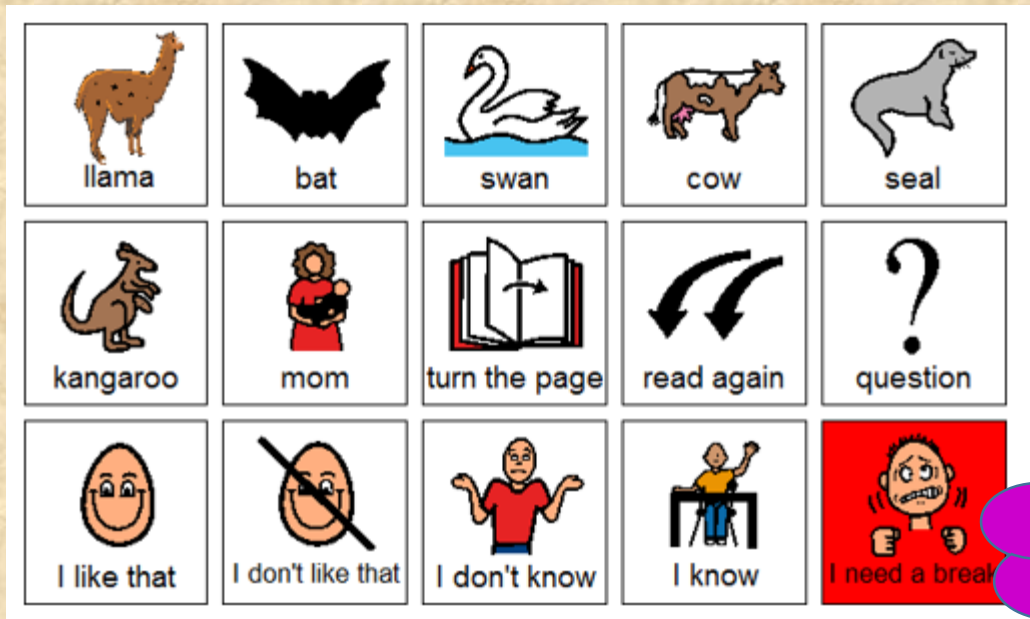

Today, you can find llamas in many places, including here in the United States.

17 page
book

Story board

- Make one copy for each student who needs more visual structure and support to participate in class discussion on the book.
- Color and BW options available
- Laminate for durability

Cut and paste symbols below into circle map.

Also in
BW

My mom has big hind legs and a pocket for her baby.

My mom has big ears, long lashes and fur.

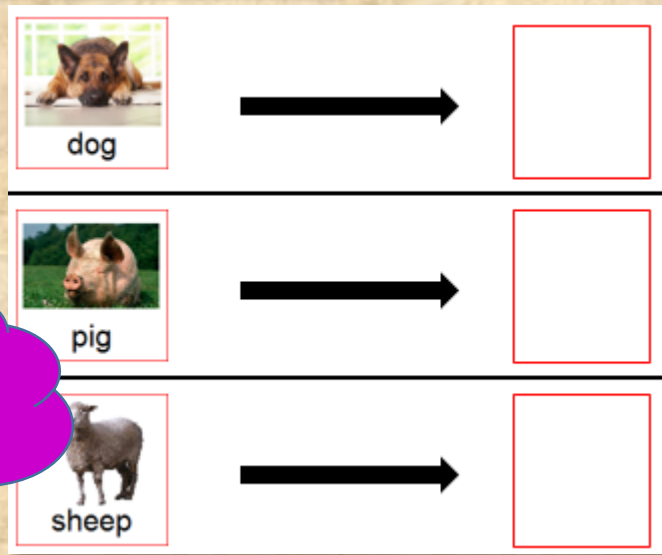

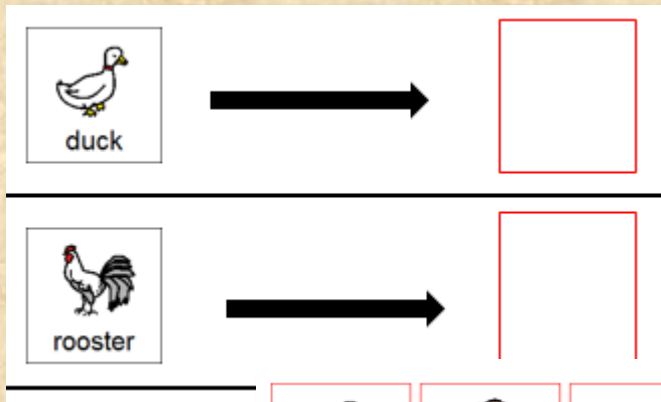

My mom has flippers and whiskers and eats fish.
