There are many other children at school. In my class, the kids usually sit in their chairs.

The teacher will spend the day talking to the kids.

There are many kids in my class.

The kids sit at their desk when the teacher is talking.

13 pg. social story

When the teacher is talking to the class, the kids are usually quiet.

When the teacher is talking, I need to sit still.

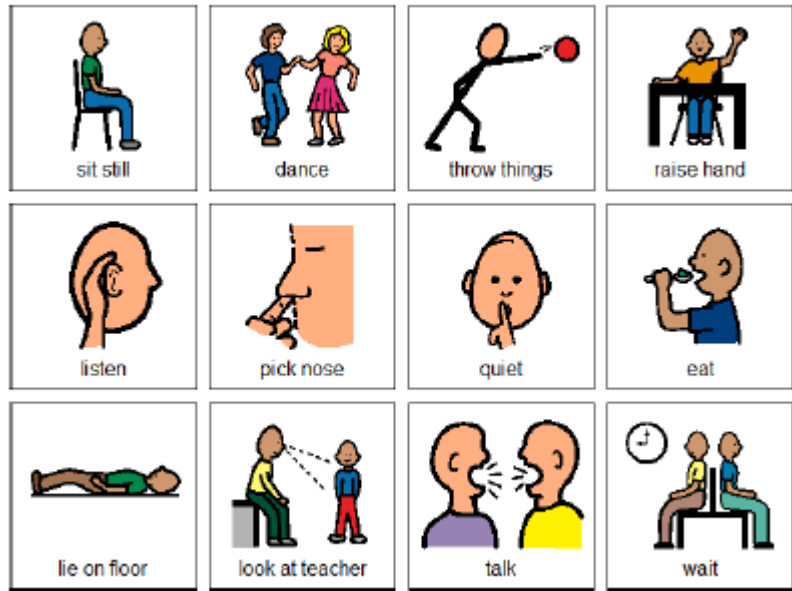

Sometimes I may need a break when the teacher is talking.
