Suggestions for Use

- These are the recipes that are **included in my Letter of the Week Units** sold separately in my TPT store
- Some recipes are differentiated to address multiple learning levels
- Some supervision required
- Teacher preparation required
 - Print out recipe labels and affix to ingredients
 - Pre-measure if indicated or needed
- Every recipe includes
 - Teacher directions
 - Ingredient labels
 - Picture directions

Yogurt Popsicles

• Preparation

- Print out ingredient labels and affix to ingredients prior to lesson
 - Depending on the learning level of your students you can either pre-measure the ingredients so they are just dumping in what is in the containers, **or**
 - Allow your students to measure out the correct amount (good for older students especially)
- Review and address any food allergies
- Depending on learning style of your students, either print a class copy of the recipe directions or make a copy for each student

- *For students that are visually overwhelmed, cut apart the recipe and mount each step on a separate index card*

• Directions

- As a class make yogurt popsicles following the recipe
