MEMORIAL DAY

ALSO INCLUDES GOOGLE SLIDES

This unit was created with this guy in mind. He has autism and an intellectual disability. He is a non-reader, and loves the sound of piano keys. With some support he is able to do this unit, and enjoys the challenge. He is my tester!!

There is a 20 page book about the history and how we celebrate Memorial Day.

It comes in pdf version as well as a voice recorded PowerPoint (so you don't have to print it out.)

Cut and paste symbols below into circle map.

Errorless option

Cut and paste symbols below into circle map **ONLY IF** they relate to Memorial Day.

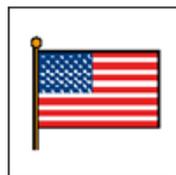

There is a circle map to review the main facts covered in the book.

Circle maps are a great way for students to see the concept at a glance. There are 2 versions:

- One is errorless
- One has wrong answers mixed in students will have to set aside

 thank you	 parade	 moment of silence	 summer vacation

Each activity is set up so students can click and drag answers. No typing is required.

1. Memorial Day is always the Monday in May.

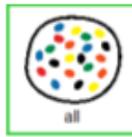

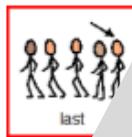

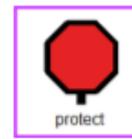

2. We honor soldiers who have .

3. Originally, Memorial Day honored soldiers who died in the .

4. In 1967, it was changed to remember soldiers from all wars who died.

5. Soldiers help to the country and keep us safe.

Use the following pictures to complete the facts about Memorial Day.

The second set of slides uses color for differentiation and extra support for students who may need it. Mix and match slides from both sets to make the perfect set for each student.

I realize there will be some students out there unable to do cutting activities. I have a blog post with ways to complete activities without a pair of scissors!!

Most of the activities (except the book) come in color and black and white.
