Comprehension Questions for Harry Potter and the Chamber of Secrets

- Each chapter has 5 comprehension or WH questions for students to answer.
- They are given 3 picture answer choices to choose from.
- This file is provided in color and BW.
- The answer key is at the end.
- To differentiate:
 - Cut the questions apart on each page into sentence strips. This will make it less visually stimulating.
 - Eliminate one of the answer choices by either covering it up with a small post-it note, coloring a black square over it, or drawing a dark X over one of the choices.
- Options for use:
 - You can turn this into a file folder game by glue the questions down and then laminating and using Velcro on the individual answer choices.
 - See picture below
