- There is an activity (available in color and BW) that is NOT comprehension related. Students should be able to complete the activity even if they did not listen to or understand the chapter read aloud.
  - There is also a set of 3 comprehension questions for each chapter. Each question has 3 picture choices to choose from (also in color and BW)
    - The answer key for these are found in day 1's plan.

## Teacher Directions

*In order to prevent your students from having trouble accessing the videos and downloads, be sure to follow these steps:*
