

# TUESDAY TAKES ME THERE (FOR SPECIAL ED)

Special Needs for Special Kids

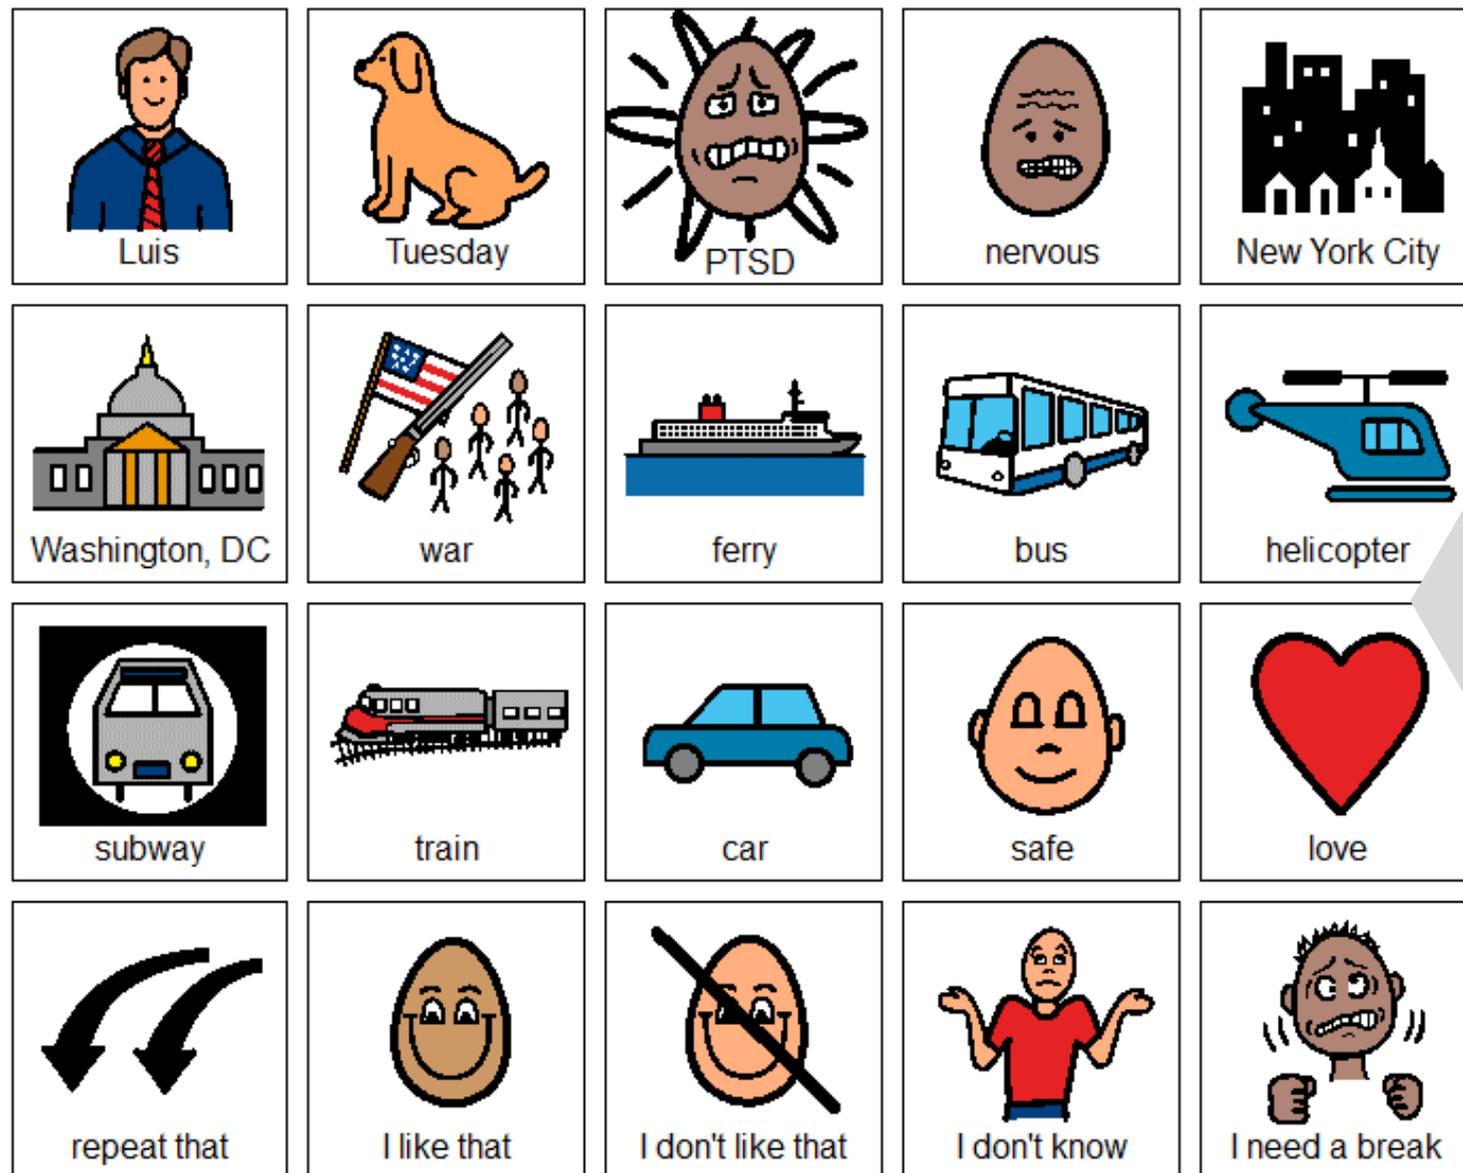

These literacy units are something I created and started using in my classroom. I had students with significant challenges and most were **non-readers**. This is a great way to expose all students to some great books.

# Table of Contents

In a separate file, there are directions and links to digital versions of these activities.

This unit has **33 pages plus 16 google slides.**  
There are 5 activities to go with this book as well as a storyboard to use for group discussions.

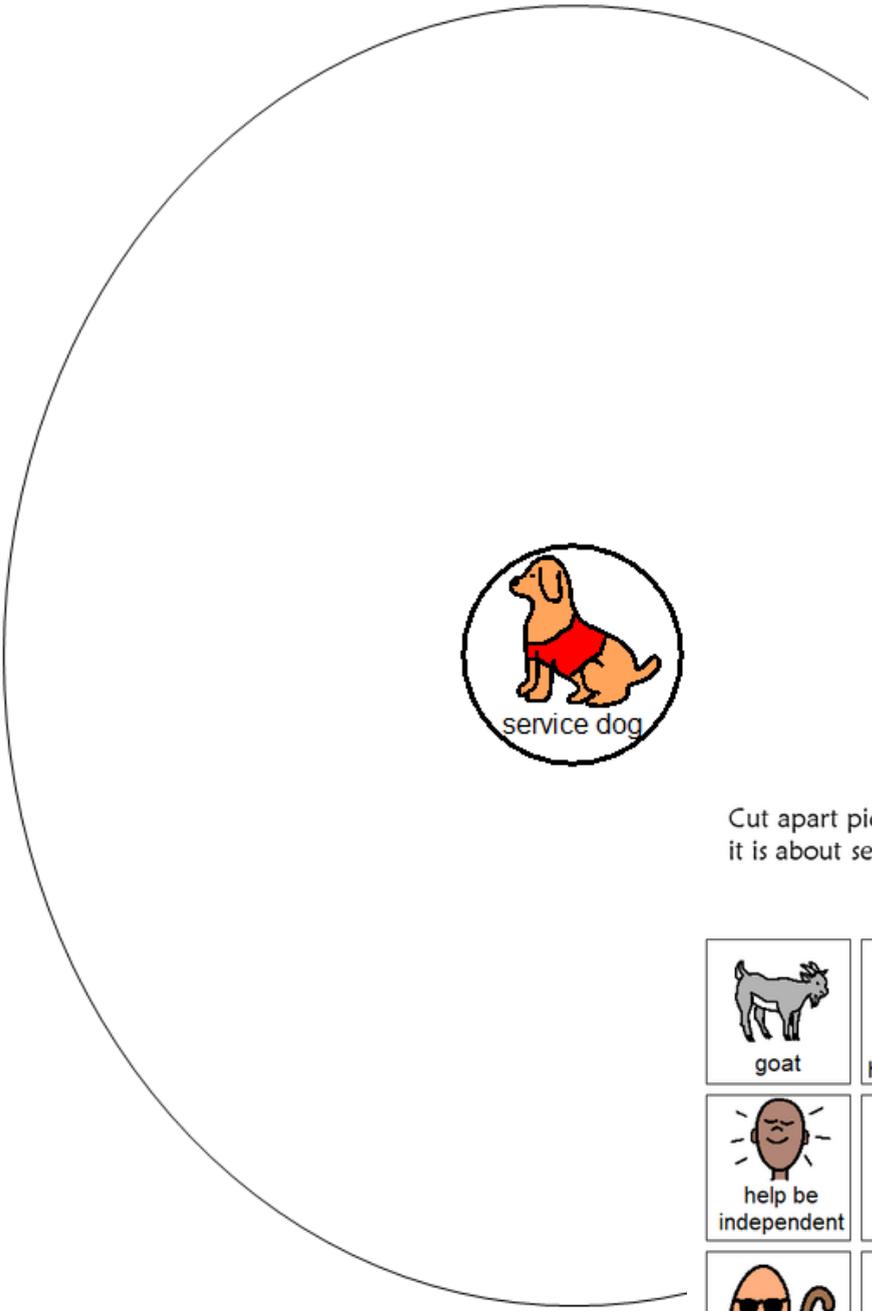

This unit comes with a storyboard.

Storyboards are great for ALL students to assist with participation and engagement in group discussions.

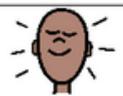

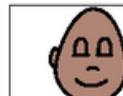

Tips on how to use in the unit!!

What does Post Traumatic Stress Disorder (PTSD) mean?

Cut out the pictures and place in the circle on the previous page.

There is a thinking map looking at what the word PTSD means.

Many dogs have important jobs. Match the job a dog might do with the place they would do it.

 police work	 home
 sled dogs	 Alaska
 guard dog	 bank

There is a matching activity where students match where certain service dogs work. A differentiated version is included.
