LOVE
FROM THE CRAYONS
LITERACY UNIT

Special Needs for Special Kids

ALSO INCLUDES GOOGLE SLIDES

These literacy units are something I created and started using in my classroom. I had students with significant challenges and most were **non-readers**. This is a great way to expose all students to some great books.

Table of Contents

Worksheet pages	Title
4-6	Story Board
7-12	Circle map: colors of love
13-17	Circle map: things that come in lots of colors
18-23	Match object to color
24-27	Sorting things that are colorful or not
28-32	Writing prompt: Love is... (using colors)
33-34	Terms of Use

In a separate file, there are directions and links to digital versions of these activities.

This unit has **34 pages** plus **12 google slides**. There are 5 activities to go with this book to last a full week of instruction.

This unit comes with a storyboard.

Storyboards are great for ALL students to assist with participation and engagement in group discussions.

Tips on how to use in the unit!!

What are some colors of love?

There are 2 sets, one that includes differentiation shown here.

I realize there will be some students out there unable to do cutting activities. I have a blog post with ways to complete activities without a pair of scissors!!
