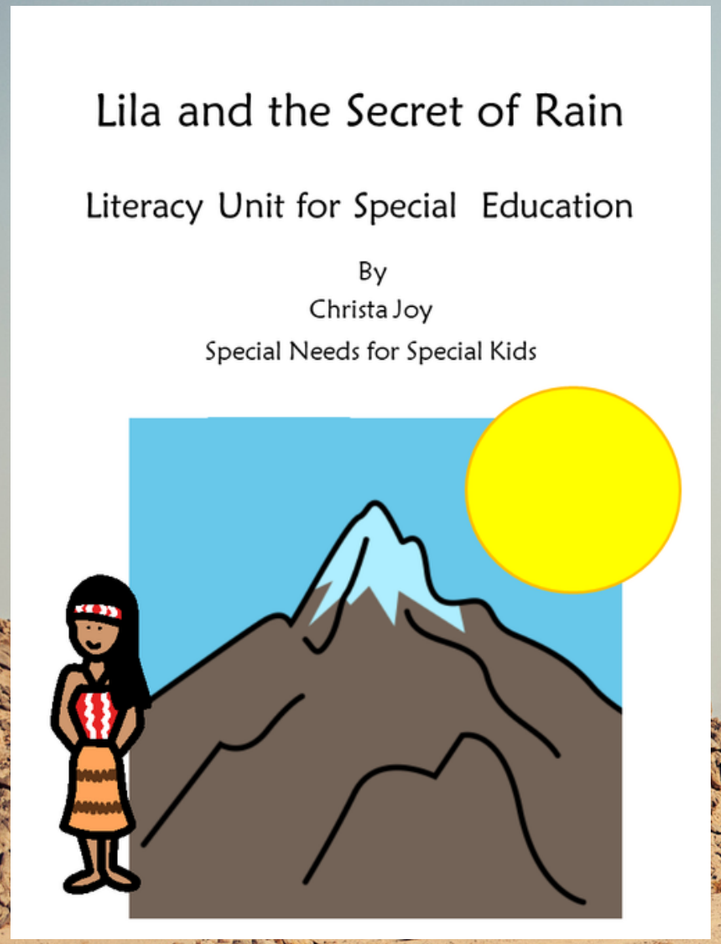
LILA AND THE SECRET OF RAIN

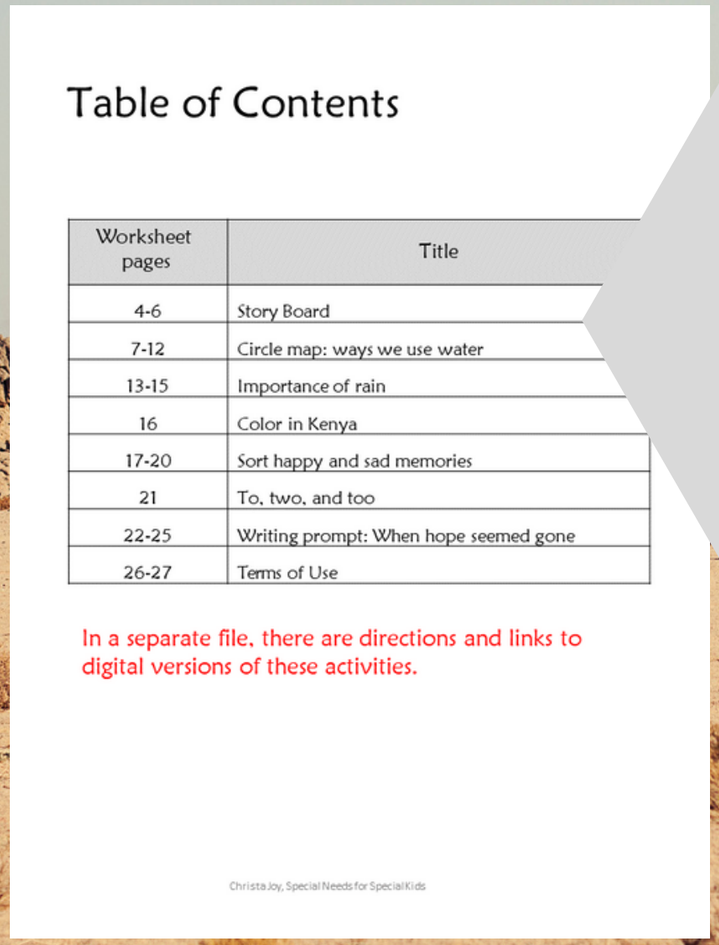
Special Needs for Special Kids

LITERACY UNIT

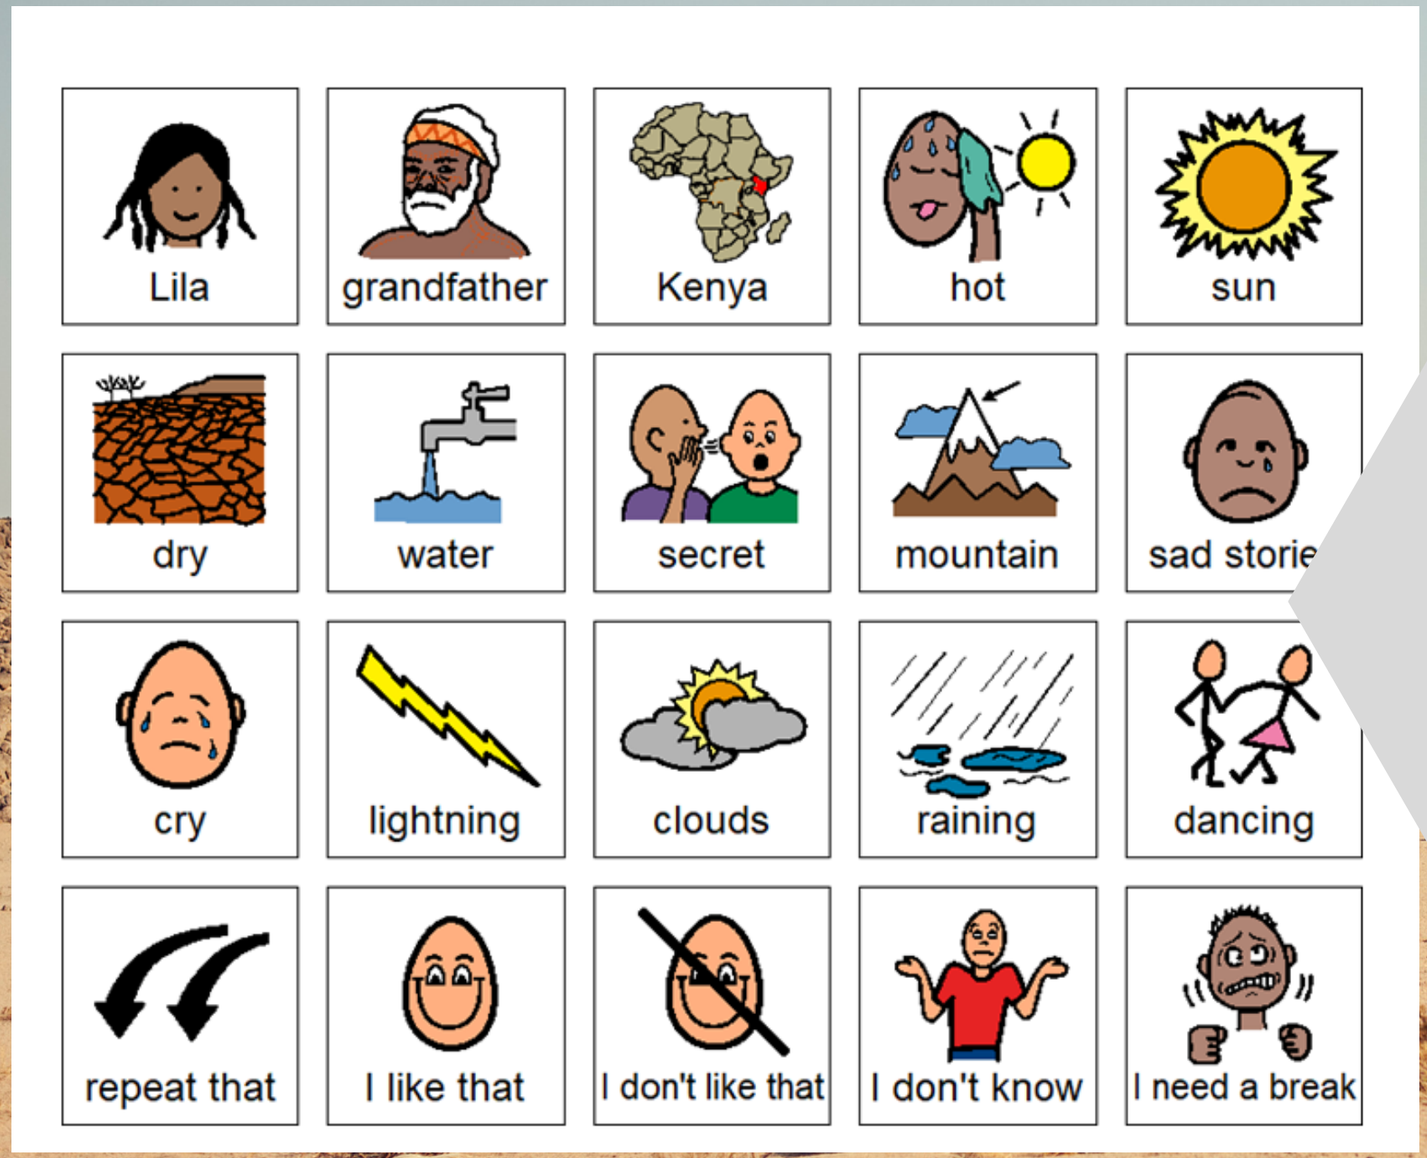
ALSO INCLUDES GOOGLE SLIDES

These literacy units are something I created and started using in my classroom. I had students with significant challenges and most were non-readers .This is a great way to expose all students to some great books.





This unit has 28 pages plus 12 google slides. There are 6 activities to go with this book to last a full week of instruction.



This unit comes with a storyboard.

Storyboards are great for ALL students to assist with participation and engagement in group discussions.
