15 days

This unit contains 10 days of material that is in both printable and digital formats. I have included a detailed lesson plan to help you make the most of everything in this unit including daily group and individual activities.

15 days

Day 4-5

Activity	Notes	Materials
Read or listen to the movie version of More or Less Book 1 (10 minutes)	<ul style="list-style-type: none">• Read through the story, asking lots of questions• Continue to make connections between book and previous knowledge	<ul style="list-style-type: none">• Book
Group Activity (15 minutes)	<ul style="list-style-type: none">• Students will practice making sets with more or less• See activity for complete directions and suggestions	<ul style="list-style-type: none">• Template• Manipulatives• Dry erase markers
Circle the one with more (10 minutes)	<ul style="list-style-type: none">• There are 3 worksheets in this set to do over the next 2 days<ul style="list-style-type: none">◦ Students will circle the one in each set that has more	<ul style="list-style-type: none">• Worksheet• Pencils or other writing tool
Sharing (10 minutes)	<ul style="list-style-type: none">• Each student shares their finished worksheet with the group using the communication method of their choice	<ul style="list-style-type: none">• Completed worksheets• Communication devices

The lesson plans contain:

- Overall tips for teaching students with significant needs
- A quick look at what you will do each day
- Detailed instructions on how that day's lesson should run

I asked Mom for a cookie.

Christa Joy, Special Needs for Special Kids

There are 2 books that review this concept using engaging photos and simple text.

They come in:

- PowerPoint
- movie (mp4) file (so you don't have to print it out)

I wanted **MORE!!**

Practice making groups that have more or less

- Print one counting mat for each student and laminate.
- Give student:
 - Counting mat
 - Manipulatives
 - Dry erase marker
- Suggestions
 - Have students make groups that have more and less
 - You make groups and students identify which group has more or less
 - Use manipulatives
 - With dry erase marker, have students make marks or draw dots to make groups that have more or less
 - How many more or how many less in each group?
 - How many would you add to make the groups equal?

Finally, there are 10 worksheets where students make their own set of more and less.

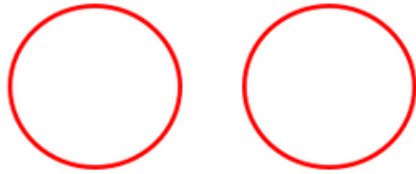

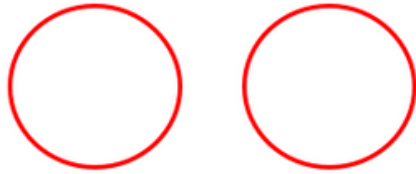

I wanted **MORE!!**

There are also digital versions of the printable activities included in this unit. There is a movie version of both books that is narrated and animated.

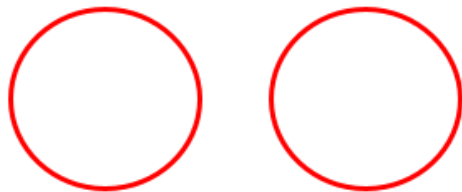

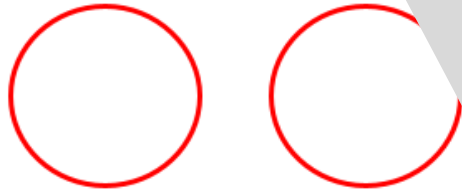

Great for review

Circle the one with more.

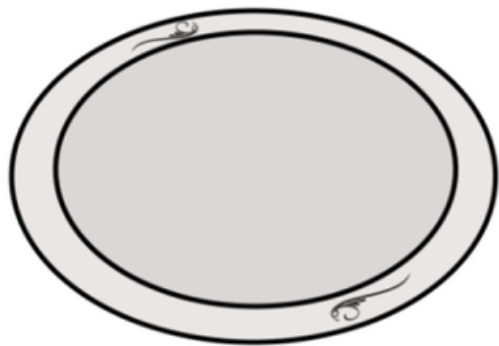

Circle the one with less.

Circle the one with less.

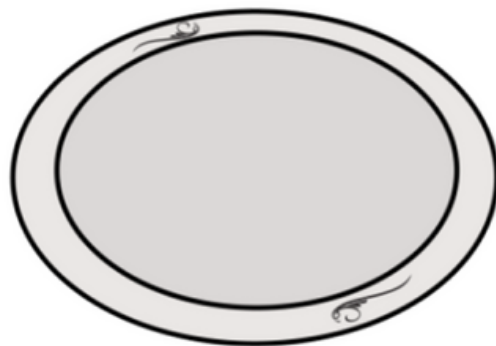

There are also 2 sets of 17 google slides that practice these same skills. The second set is differentiated.

MORE

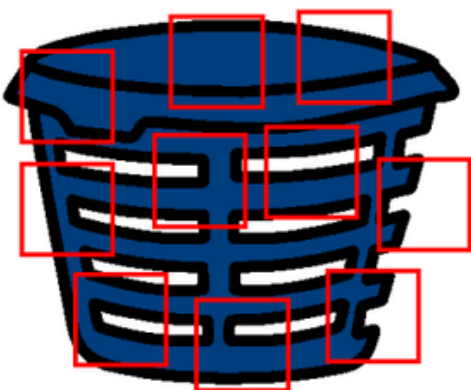

LESS

Make your own set with more and less.

MORE

LESS

Make your own set with more and less.

Perfect for all learning levels.

Students click and drag the objects to make their own more and less examples. The differentiated version has red boxes to show them where to put the objects.
