

WORLD WAR I FOR MIDDLE/HIGH SCHOOL

SPECIAL ED

Special Needs for Special Kids

This unit was created with this guy in mind. He has autism and an intellectual disability. He is a non-reader and takes end-of-year tests. With the right modifications, he is able to do this unit. He may not understand all the material, but he is being exposed to the general curriculum the same as his peers. He is my tester!!

Preassessment (do day 1 before starting lesson)

- Choose the form of the assessment that best fits the learning level of your students
- Give the assessment to assess what your students may already know
- I cannot emphasize enough how important this step is. If you want to see growth, this preassessment is so important!!

Teaching Tips

1. *Color Coding:* this is a really easy way to add more structure to a matching activity. Outline or color in an empty box or sorting label. Outline or color in the corresponding picture symbols the same colors. Becomes a color matching task.
 - a. For more info, read more here:
<https://specialneedsforspecialkids.org/2015/09/05/using-color-coding-for-differentiation/>
 - b. I also have a blog post on differentiating one activity 3 ways:
<https://specialneedsforspecialkids.org/2018/10/22/differentiating-1-activity-3-ways-easily-and-effectively/>
2. *Make you own copies of the activities:* Every day I review the activity we did yesterday. For that reason:
 - a. I often complete the activity myself and often laminated it for easy review that I could use year after year.

Detailed instructions on how that day's lesson should run

There were 2 main groups that formed, the **Triple Entente**, also called the Allies, and the **Central Powers**.

Christa Joy, Special Needs for Special Kids

During the attack on France, Germany decided to go through Belgium. Belgium was a small country that was supposed to remain neutral in any war and was therefore protected from being involved. Germany ignored this.

Christa Joy, Special Needs for Special Kids

This unit contains a book that covers the main incidents and effects of World War 1 using wimple text and photos.

The US sent troops over to Europe at a crucial time. The Allied troops were exhausted and running low on supplies.

Christa Joy, Special Needs for Special Kids

There is a second book that specifically covers the US involvement in World War 1.

Both books come in a pdf AND a voice recorded powerpoint (so you will not have to print it out.)

President **Woodrow Wilson** realized that Germany was trying to invade US territory. He could not let that happen.
