- Lesson plans
- Links and directions to digital activities
- PowerPoints **(these are the books in the lesson plan)**
- Voice recorded PowerPoint
- Activities in black and white

This unit contains 2 weeks of material in print and digital formats. I have included a detailed lesson plan to help you make the most of everything in this unit including how to add some group activities.

This unit comes in 2 separate files, one in color and one in black and white.

Day 6

Activity	Notes	Materials
Read or listen to the book: South Dakota week 2 (10 minutes)	<ul style="list-style-type: none"> Since this is the first-time students are seeing the book, I focus a lot on the pictures <ul style="list-style-type: none"> Ask lots of questions about what they might think the pictures mean or may relate to Make connections between book and vocabulary board (have students find relevant symbols on their boards to go with a concept or photo on page.) Go through the book twice, once just looking at the photos and a second time reading the story 	<ul style="list-style-type: none"> Book Vocabulary board
Who am I activity (10 minutes)	<ul style="list-style-type: none"> See directions on Day 3 or included with cards 	<ul style="list-style-type: none"> Who am I cards (2 sets)
Close worksheet review (5 minutes)	<ul style="list-style-type: none"> Review the close worksheet completed yesterday 	<ul style="list-style-type: none"> Close worksheet completed yesterday
Natural resources sorting (10 minutes)	<ul style="list-style-type: none"> Do the sorting activity looking at things that are and are not resources that come from South Dakota <ul style="list-style-type: none"> Students sort the resources into the correct column. Add color-coding for those students who need more support. Make connections to the book as necessary 	<ul style="list-style-type: none"> Sorting activity Scissors Glue
Sharing (10 minutes)	<ul style="list-style-type: none"> Each student shares their finished activity with the group using the communication method of their choice 	<ul style="list-style-type: none"> Completed activity Communication devices

10 days

The lesson plans contain:

- Overall tips for teaching students with significant needs
- A quick look at what you will do each day
- Detailed instructions on how that day's lesson should run

This unit comes with a vocabulary board.

Vocabulary boards are great for ALL students to assist with participation and engagement in group discussions.

Tips on how to use in the unit!!

(There are NO vocabulary cards in this unit.)

In 1874, gold was discovered in the Black Hills by George Custer and some miners. They were mining illegally on Lakota land that was supposed to be protected. This would lead to some severe conflicts and battles between the U.S. Army and Lakota tribe.

There are 2 books (one for each week) with simple text and engaging photos.

It comes in a PowerPoint version as well as an mp4 (movie) version.

Errorless version

Cut apart pictures and place in circle map about South Dakota.

Cut apart pictures and place in circle map **ONLY IF** they relate to South Dakota.

There is a circle map reviewing some main facts about South Dakota.

Circle maps are a great way for students to see the concept at a glance. There are 2 versions:

- One is errorless
- One has wrong answers mixed in students will have to set aside

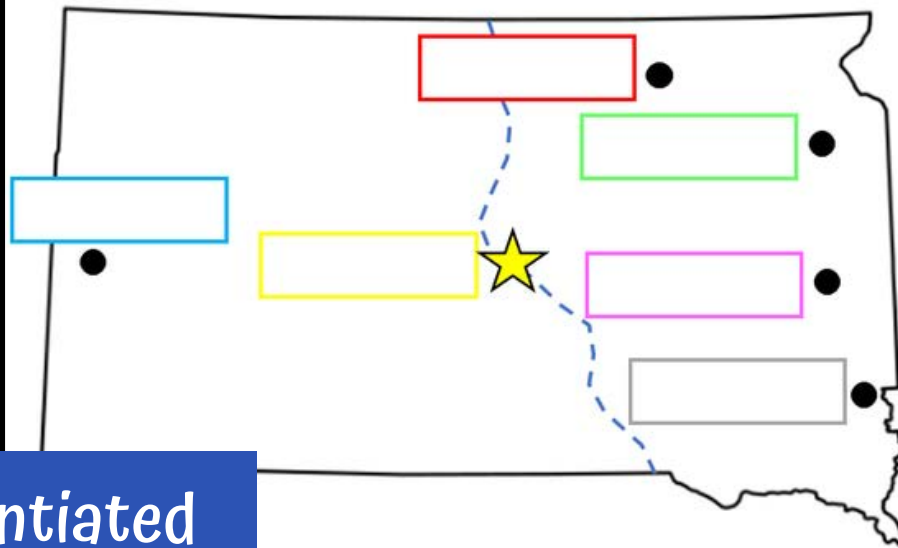

Color in the states using the key.

- South Dakota red
- North Dakota yellow
- Wyoming green
- Montana orange
- Nebraska blue
- Minnesota gray
- Iowa pink

There is a writing prompt for students to write about taking a trip to see South Dakota. This is an errorless activity.

Who am I cards

- Give each student a set of Who am I cards
- Various options/ways to play, but the goal is to have students hold up the card you are talking about. Sometimes there can be more than one correct answer
- Things you can do:
 - Hold up a who am I card
 - Show a page from the book
 - Point to a symbol on the vocabulary board
 - Verbally describe something about South Dakota.
- Tell a story as though you were visiting South Dakota.
 - What do you see?
 - What is the weather like?
 - What plants or animals do you see?
 - Where do you live (city or country)?
 - What are you eating?

Included is a simple picture recipe for Fry Bread, a Native American desert. This will wrap up this 2 week unit.

South Dakota

Week 1

By Christa Joy

This unit also includes digital versions of the activities.

Students can watch a movie book version of the book rather than printing it out.

Great for review

What is the geography like in different parts of South Dakota?

Missouri River

Drift Prairie

Great Plains

Black Hills

Black Elk Peak

Each activity is set up so students can click and drag answers. No typing is required.

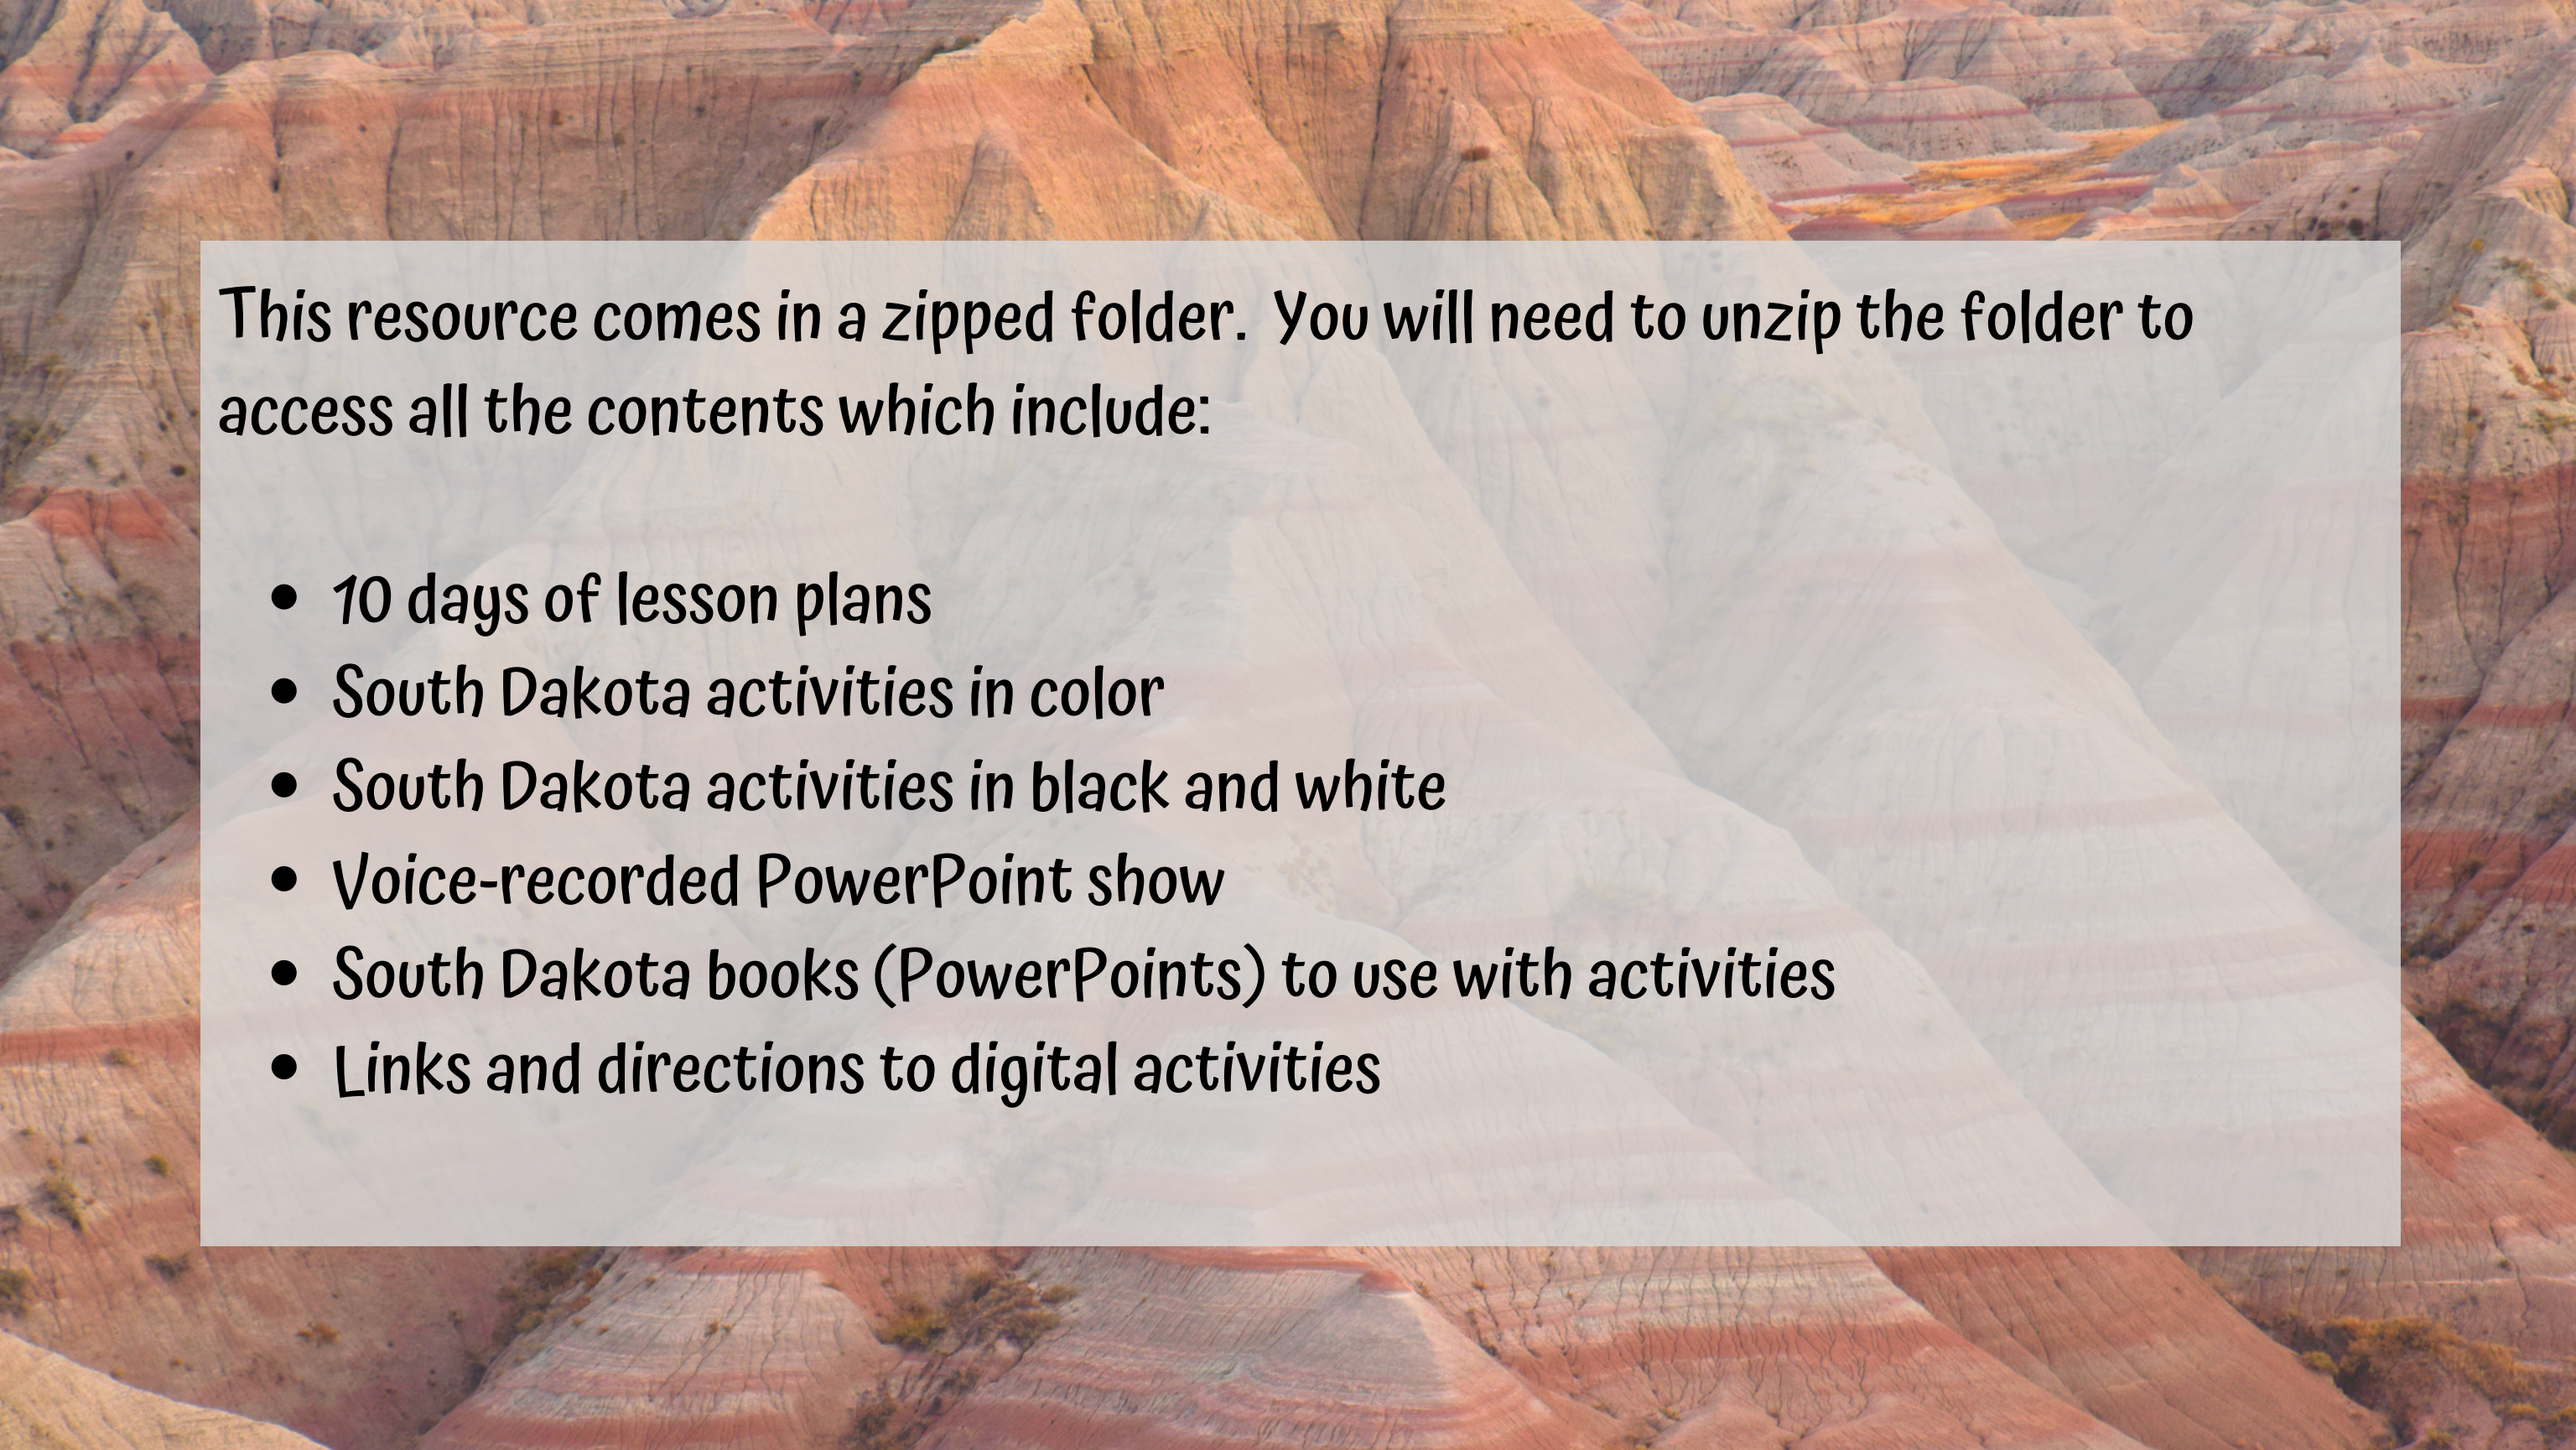

Perfect for every learning level

 Mt. Rushmore		 Crazy Horse	
 Badlands		 Custer State Park	
 Wind Cave		 Mammoth Site	
 Minuteman Missile Site		 De Smet	

What would you see at each of these landmarks in South Dakota?

 bison	 Washington	 nuclear
 Laura Ingalls Wilder's homestead	 boxwork formations	 rock formations
 Native American monument	 rock formations	

The second set of slides uses color for differentiation and extra support for students who may need it. Mix and match slides from both sets to make the perfect set for each student.

This resource comes in a zipped folder. You will need to unzip the folder to access all the contents which include:

- ***10 days of lesson plans***
- ***South Dakota activities in color***
- ***South Dakota activities in black and white***
- ***Voice-recorded PowerPoint show***
- ***South Dakota books (PowerPoints) to use with activities***
- ***Links and directions to digital activities***

Starting in August 2023, I am starting on a project to create a 2-week unit for each state.

I am doing these in order of popularity.

If you would like me to do a unit on your state, send me an email at specialneedsforspecialkids@gmail.com. I will add it to the list.

I do plan to complete all the states at a rate of 1 per week.
